

Alan Lynn Criner

June 8, 1955 - August 16, 2020

On Sunday Aug. 16, 2020 after a long battle with health issues, we lost a very special person. Alan “Big Al” Criner, loving husband and father of three, passed away at the age of 65 with his loved ones by his side.

Al loved spending time with friends & family. He loved his family dearly and he made sure we knew it! He was known for his infectious smile, compassionate spirit and big heart.

Al was an accomplished Journeyman Machinist with a passion for precision machining and was respected by all who worked with him. He loved cruising on his Harley “Black Betty” and he had a great appreciation for music, especially the Blues and in particular, The Rolling Stones. Every time we hear a Stones song we think of Al.

Al was preceded in death by his father Doyal and his mother Dorothy Jean. Al is survived by his wife of 38 years Jody Criner, his son Mitchell Criner, daughters Ginger White & Suzana Criner, his brother Victor Criner, his sisters Lisa Deoca & Melody Franza, and his beloved 6 grandchildren Erik, Lydia, Steele, Gabe, Gage & Angelina.

A celebration of Al's life will be held in the near future.
