“ *Another memory. Albert pastured his milk cow off and on in Paul and Ethel's back lot and shared the milk and cream with the family which the extended family really enjoyed, especially the homemade ice cream made with the cream.*

“ *Condolences to Albert's family. I have fond memories of playing on the valley baseball team with Albert in the 50s. We appreciated Albert's care of the Norris home and lot after my parents had to go into assisted living. Albert was a good friend to our families.
