

Albert Earl Hackett

April 28, 1964 - July 3, 2022

Longtime Happy Camp resident, Albert Earl "Bert" Hackett, passed away at his home on South Fork Road on July 3, 2022 after a long battle with cancer. He was 58 years old.

Bert was born on April 28, 1964 in Colorado to Albert I. And Mary Eleanor Hackett. He and his wife, Dalanea have made Happy Camp their home since 2002, and they loved their small rural community. Prior to moving to Happy Camp, Bert made his home in Iowa, where he worked as a welder for Vermeer Industrial Equipment. Bert also worked for Steve Will's Logging company out of Fortuna, and worked for an asphalt company out of Phoenix, Arizona. In recent years, he worked with his son, DeLyle, cutting and hauling firewood for fellow community members in Happy Camp. He loved working with his son and providing heat for folks in the winter.

Bert was truly a jack-of-all-trades, and a master of many. He enjoyed gold mining, spending time with his kids and grandchildren, and helping people. Anytime somebody needed help, he would be the first to respond with actions, and not with talk. He was a helper for all in need, and Happy Camp will miss his presence.

Bert leaves behind his wife, Dalanea; his son, DeLyle; his step children, Leslie and Teresa; three grandchildren, three step grandchildren, and a brother,

Andrew. He is also survived by his mother, Eleanor.

No services are scheduled at this time.
