Ardelle Hargreaves passed away at the Madrone Hospice House in Yreka on April 3, 2017, at the age of 78.

She was born on August 15, 1938, in Minneapolis, Minnesota, to parents Louis and Estelle Pumper. She grew up in Minneapolis and graduated from South High in Minneapolis in 1956.

In 1972, she went to work for Northwest Airlines in Minneapolis, where she was to meet her future husband, Don Hargreaves. They were married in Minneapolis in 1991.

Ardelle retired in 1999, and Don in 2000, at which time they moved from Minnesota to Callahan, where they built the home of their own design.

Ardelle loved to travel and she and Don used their airline flying privileges to good benefit; traveling to London, Rome, Germany, Prague and many domestic destinations. They also took many road trips across the United States and around California.

She is survived by her four children from an earlier marriage: Melodie Salzl (Tim) of Queen Creek, Arizona; Greg Severson (Pam) of Salina, Kansas; Ginny Landrus (Doug) of Palisade, Minnesota; and Brett Severson of Minneapolis. She is also survived by her three sisters, Eleanor Hattery of Northfield, Minnesota; Patricia Benolkin of Andover, Minnesota; and Kathleen Peterson of Circle Pines, Minnesota. She has six grandchildren and three great grand children.

She was preceded in death by her parents and her brother, Kenneth Pumper.

A memorial service will be held at the Callahan Community Church at 1 p.m. on April 29, 2017. In lieu of gifts or flowers, please make a donation to Madrone Hospice in Yreka, whose staff we thank for taking such good care of Ardelle in her final days.
