

## Ariel Vibrans

December 29, 1983 - August 17, 2022

Ariel Vibrans has moved on to her next great adventure. Ariel was born in Flemington, New Jersey, to father Frank and mother Amy. She is survived by her husband, Rafael; two beautiful daughters, Keira and Sophia; father Frank; mother Amy; sister Sarah; and brother Frank. Though she spent the last few years living in Colorado, her home is in the mountains, rivers, stars and people of Siskiyou County.

Ariel enjoyed an education from College of the Siskiyous and Humboldt State University focusing on mathematics. Ariel experienced profound fascination applying mathematics to the world in which she lived. Both a dynamic problem solver and great communicator, Ariel helped many to experience her joy in mathematics. Everyone Ariel encountered was touched by her sharp wit, deep empathy, and outgoing personality. Her wit was vast and spectacular as the stars and cosmos of which she spoke so passionately. Beading, bee-keeping, macrame and crafting with her family are a drop in an ocean of her escapades in puzzle solving. Ariel always lived in Mr. Rogers' neighborhood, seeking equity, love and compassion for everyone and freely gave of herself to others. Boldly, she marched for civil rights. An activist, she stood strong in the fight against hatred. She is Star Stuff.

A memorial service will be held at Yreka Preservation Hall (old St. Marks church), 300 Lane Street in Yreka on July 21, 2023 at 3:00 PM. Please RSVP and contact with any questions Raf Franco via facebook or text 707-296-6087.

“Ariel was a bright addition to our family holidays and dinners with her daughters and Frank and Leesa Vibrans. We so enjoyed her enthusiasm for our stories and traditions and her quick wit and cheerful spirit. We looked forward to seeing her for each gathering and truly embraced her as one of our own. She clearly loved her daughters and she and I quickly felt the kindred spirit of two mothers of daughters.

*She was as sweet as honey and shared honey and mead with us. She shared so many stories of her and Frank's growing up years. We had so much fun getting to know her and will miss her immensely, though we will never forget her.*

*God bless you Ariel! We will continue to share our hearts with your loved ones.*

“ I'm so sadden to hear of Ariel's passing. I will always remember her for humor and goofiness! She was my litter sisters good friend in elementary but soon became a family friend. The one thing I will forever remember her for is the terrible nickname she gave me, Nikki-hole! Without fail each time I saw her she would loudly yell it out for everyone to hear! And my goodness did I hate it! But now I think back fondly of her calling me that. She was definitely one of a kind! I now would like to hope that she and my sister are together again. Both were lost so young. I also would like to let the family know I am thinking of you all in this time. And I hope that you all find healing.

“ I went to Dunsmuir Elementary School with Ariel. She was one of my first friends that I made when I moved to Dunsmuir. She was so spunky and outgoing. Always had a smile on her face. I remember her mom making us apples soaked in orange juice. I'm going to miss you.
