“ I am so sorry about your Mom. I delivered meals to her and she was always so upbeat. I noticed that her black cat has been sitting outside her front door. Is anyone caring for her? Peace be with you.

“ Barbara was my mother in law for a short time... We tried to visit here often when in Yreka. She was always so sweet to me and Ashley, even though my marriage didnt last long. I think of her kindness often and her generosity. She sure did live a full life, reading about her missionary work, I didn't realize all she had done before settling in Yreka. She has been and continues to be thought of often. Tracy Horn (and Ashley)
