

Beth Ann Silva

June 15, 1961 - August 18, 2017

Long time Siskiyou County resident, Beth Ann (Harnden) Silva passed away on August 18, 2017. She was 56 years old.

Born in Los Angeles, CA on June 15, 1961, Beth lived in Whittier, CA and Edgewood with her parents before the family settled down in Montague in 1966. Beth attended Montague Elementary and graduated from Yreka High School in 1979.

Many will remember Beth from her many years at Ming's Restaurant in Yreka and from her time as a bank teller with Timberline Bank.

A known prankster, Beth was fun loving, adventurous, and a loyal friend. She was tough and had a "never give in, never give up" attitude and spirit. Loved by many, she will be deeply missed.

Beth is survived by her husband, David Silva; her son David George Silva; her brothers Steve Harnden (Anna Marie) and Matt Harnden (Cindy); her aunt and uncle, Ann and Steve Bockulich; several cousins, nieces and nephews. Her mother, Olive Jean Harnden and her father, George Harnden preceded her in death.

Beth's family is very thankful for the support and care provided to Beth by Madrone Hospice.

There will be no funeral services. In lieu of flowers or memorial gifts, donations may be made to United

Scholarships, Inc., PO Box 1328, Yreka, CA 96097.

As an eagle is free when he flies, so am I free to fly
As an unbroken horse is wild and free, so is my heart
As a buffalo is generous and giving, my heart is generous and giving
So as you see the eagle fly, the horse run free, and buffalo live
Remember me

“ I had the pleasure of knowing Beth in elementary and high school. We had some very exciting adventures and shared many overnights together. I looked for her with the advent of social media but could never find her. My condolences to her family and friends. It's been a lot of years but my heart breaks with this sad news.

“ My prayers are with you on your transition Beth to a new world for you. I had many good times with her and good memories and lots of laughter! It's such a strange thing, but I was just thinking about her just the other day for the first time in some years but we all knew her as she was and her distinguished trademark of the white shadow but most of all I felt she had a good soul and deep kindness. Will miss you Beth and my thoughts and prayers for her family and loved ones during this sad time but she's truly in a good place and she is still with us in spirit. Very sad to hear this. Regards to family.

“ I am deeply saddened to hear of Beth's passing. I first met Beth in high school (we are both Class of 79). I remember her as beautiful, friendly, happy, & fun. We didn't hang around together much back then, but every so often we would catch up at the Employment Office where both of our Mothers worked. Our family sends our condolences & prayers to all Beth's Family & Friends. God Bless!

“ I was so sorry to hear of Beth's passing. I have great memories of Beth when we were young girls in Montague. We would go swimming at the pool, then hang out at one of our homes playing board games. She was sooo fun and we were always laughing. I will always remember her beautiful smile and that amazing laugh. I always thought Beth was so beautiful and blessed to be a part of such a fun family. I am so sorry. She will be so missed.

I recently moved back to the area and had inquired as to where Beth was...no one seemed to know. I'm so sorry that I didn't keep asking. Beth and I grew up together. We would ride horses on the weekend ...hers was named "Pepsi", a smaller horse. I remember her riding under a sign (to low for me to ride under)- she barely made it, every vertebrae got scraped...dots all the way down her back! We were laughing so hard that it didn't even bother her! ...Just one of my favorite memories. Rest in beautiful peace Beth <3

“ *I worked with Beth at Timberline Bank. Hard worker and always willing to lend a hand.*

My thoughts and prayers go out to her family and friends.

“ *Beth and I worked together in high school at the Burger Barn, the first restaurant in that building. She was so diligent and hard to keep up with. That woman was a dynamo. She befriended my mother Helen Gaulden, when she worked at Timberline Community bank. Mom held a special place in her heart for Beth. Mom has now been gone four years. I'm sure they're catching up on stories now. Sending peace to all of Beth's loved ones.*
