

## Betty Jo Banuelos

November 27, 1967 - October 23, 2021

Betty Jo Banuelos was born on November 27, 1967 to Beverly Jones and joined her again on October 23, 2021.

Betty was a Bay Area native, growing up in Richmond, California, and was a Richmond High School graduate Class of '85. Betty was a very loving and proud parent to Anthony Banuelos and Jennifer Ducoing, as well as Jennifer's husband, Ruben Ducoing. She was an even prouder grandmother to Bianka, Giselle, Hugo-Elias, Vicente-Javier, Olivia'Jayde, Leticia'Mariana, and Blaine.

Betty relocated to her final home in Montague in 2019 where she got to enjoy time with her family building memories camping, days spent at the lake, and just hanging around their ranch. Betty got to meet and make new friends, which quickly turned into family. If anyone knows her, she always had extra branches on her family tree.

We ask that Betty be remembered for her kind heart, that awesome free spirit, being organically fun loving, life of the party, and always ready for a good time.

Betty passed from complications due to the Covid 19 vaccine. Never one to let bad circumstances take over, she went out with jokes on her lips, warmth in her heart, and a smile on her face.

We love you Betty Jo.
