

Betty Lee "Kelly" Hendricks

January 23, 1938 - August 27, 2025

Betty Lee Hendricks, lovingly known as Kelly, was born on January 23, 1938, to Alex W. Kielas and Sylvia A. Burmeister in Appleton, Wisconsin. One of ten children, she grew up in the Midwest before moving to Redding, where she raised her children and met her amazing husband, Douglas Hendricks. Betty passed away peacefully on August 27, 2025, joining Doug in heaven.

She created a warm and fulfilling life filled with the things she loved most. A spirited and witty woman, Kelly found joy in her green thumb, in the home improvements she made to the house she and Doug built together, and in cheering on her favorite football teams. She was a huge fan of the game and always stayed sharp on her favorite players' stats. She always had a dog or two by her side, whose loyal companionship brought her endless love and comfort. In her younger years, she enjoyed rock-and-roll and country concerts and knew how to have a good old time. Her laughter and quick sense of humor brightened every gathering.

Kelly now reunites with her three children-Brenda, Craig, and Rocky Fahrenkrug-who preceded her in passing. She leaves behind her daughters, Robin Turner and Brenda LeNoble, her beautiful grandchildren, many great-grandchildren, her family in Wisconsin and friends, all of whom will carry forward her memory and her legacy of strength, humor, and love.

A pillar of strength, Kelly weathered many trials with grace and resilience. In the end, she passed with dignity and peaceful acceptance, ready to be with those she loved so dearly. She will always be our angel, and she will be

deeply missed.
