“ So sorry to hear of Bob's passing. Bob was such a nice person and he always made my sister and I feel important when he would be with my brothers around us. What a great baseball player too. He will be missed.

“ Bob and I were clasmates in the class of 1957. We played baseball together in the summer Pony League and hauled hay for several summers. What a shame to see him go. All the best to the family.

“ So sad to hear of Bob's passing. -- Even though I was a couple of years behind in High School I remember him well. A fine athlete and I especially remember him pitching on our Baseball team.

God Bless.
