Bobbie Maxine Britt 02 March 1922 – 22 August 2013

Bobbie Maxine Britt (Shottenkirk), one of three children and the only daughter of Bess and Robert E. Shottenkirk moved forward to a better place August 22, 2013 in Yreka, California. A resident of Siskiyou County since 1978, this trail blazing woman followed her dreams from the plains of Missouri to the lights of Los Angeles in 1943 where she joined the defense industry supporting World War Two. She met her soul mate and married John Britt in 1946 on his discharge from the Navy, setting up home in the San Fernando Valley. Together they raised two children then elected to retire away from the hustle and bustle of Southern California to the tranquility of Siskiyou County. Bobbie is survived by her son David, his wife Sherri and grandsons Joshua and Jason; her daughter Lori, her husband Nido and granddaughters Janet and Annie. Our mother now joins our father in eternal happiness together with our Lord.

A private memorial celebrating the life of a person who did it her way will be held in October.
