“ *Ms. Bobbie - Although I didn't get to meet the version that your family got to experience, it was a pleasure to get the opportunity to spend time with you at the end of your life. The memory of our little walks out to admire God's beauty - the flowers and blue skies - will remain with me. You were a kick in the pants and I LOVED every moment of it! Your spunk and tenacity was unmatched! I hope to be just like you if I hang around this earth long enough. I'll see you again - and I can't wait to see that smile light up the room again ...and I know EXACTLY what God does to liars! (inside joke ;)*

Melody - we are sending you all of our love and prayers for peace and comfort in the days ahead...I don't think you ever actually get over losing your mama. Please let us know if there is anything we can do.
