“ *I have too many memories to share as Brian and I grew up together. He was my best friend and I considered him a brother. His family always made me feel apart of it. There are no words to describe how great of a person he was and he had a contagious smile and dorky laugh. I will never forget Brian. I wish I had more pictures with him. I am so sad for him and his family. He is in a better place now, but I wish more then anything that he was still here with us today. I love you Brother.*
