“ *A favorite memory of my uncle Carlos was hearing him sing while camping so unlike him to just stat singing as we all went to bed.. cracked me up .. He always asked about my animal duck chickens and dogs pigeons to he loved the little animals .. He was a lucky man to have been married to my auntie Bev for so many years .. I know she is why he lived so long she cared for him so well .. He has gone ahead to make a camp by the river and keep the fire burning so one day we can all find our way home .. He was my uncle for my 61 years and I loved him ..*
