

## Carmen Mary Ebejer

July 4, 1942 - May 19, 2016

Carmen Ebejer went home to be with her Heavenly Father on Thursday, May 19th, 2016. She passed away with family by her side, joy in her heart and giving thanks to her Savior.

Carmen was a devoted wife, mother, Nunna, Buz Buz, sister & auntie. She was the most selfless woman; always putting her family and their needs above her own. Her best days were spent in the presence of her grandchildren & great grandchildren, in her garden and in her kitchen where she cooked up Maltese specialties for her family; never accepting “no thanks, I’m not hungry” as an answer. She was stubborn, boy was she stubborn; but equally loving, loyal and genuine. She was truly one in a million.

Carmen was born in Qormi, Malta on July 4th, 1942. It was quite fitting for her to be born on the fourth of July...anyone who knew Carmen knew her as spunky, sassy and full of spark, just like a firework. Her little stature held such a big personality and an even bigger heart.

In 1951 Carmen’s family moved from Malta to the United States and was proud to become a citizen in 1991. It was in San Francisco that Carmen met her husband, George. They were married on April 23, 1960. Together they have two sons, John & George Jr. They raised their family in Millbrae, California until they moved to Siskiyou County in 1977.

Until her family meets with her again in Heaven, she leaves behind her husband of over 56 years, George; her sons, John & George Jr.; her daughter's-in-law, whom she loved as her own daughters, Dori & Markay; her siblings, Aggie, Pauline, Mary Ann, Manuel & Joey; her grandchildren, Ashley (Jake), Josh, Whitney, Jordan (Dennell) and Nicole, all whom she adored; and her beloved great grandchildren, Wyatt, Weston, Kendyl, Dean & Gia.

A potluck and celebration of Carmen's life will be held on Saturday, June 4th at 11:00 a.m. at the KRCE Lodge in Hornbrook.

In lieu of flowers, the family says to hug a loved one. However, if you could ask Carmen, she would say: "In lieu of flowers, don't vote for Hillary!"

# Tribute Wall

SJ

“ *I remember her from the pharmacy and I always thought she was so sweet. Prayers to her family.* ”
