

Charles Thomas Brewer

September 14, 1956 - November 12, 2021

Lifelong Siskiyou County resident, Charles Thomas "Charlie" Brewer, passed away unexpectedly on Friday, November 12, 2021. He was 65 years old.

Charlie was born on September 14, 1956 to James and Maxine Brewer in Etna. A graduate of Etna High School, Charlie loved Scott Valley and the Marble Mountains. He truly made the valley his home. He worked for the past 40 years as a timber faller. He loved everything about the woods - the logging, the hunting, the wildlife, and he knew the mountains like the back of his hand. Charlie was an excellent caretaker for his family, he loved his kids and grandkids more than anything.

Charlie is survived by his daughter, Tabitha; his kids that weren't actually his, but he raised and loved them like a father: Aiko Rose and Seth Plascek and their children; 3 grandchildren, Donovan (Tasha), Elija, and Felicia; and a great granddaughter, Kailani Charlie Burke. He is also survived by his life-long and multi-generational best friends, Dale Cramer, Bill Kruger and by his sister, Stephanie Johnson.

A memorial service and celebration will be held by Charlie on Saturday, December 11 at 11am at the Callahan Emporium.
