“ Dear Sandy, Tyler, and family, I am sending my sincere condolences for the passing of your husband and father, Chris. Chris and I are the same age. We both grew up in Monterey County at the same time. I met him at the R-Ranch over 20 years ago. I remember Chris as always having a huge smile on his face. He always had a positive word to share. He laughed easily. He often shared tidbits about his family, which he loved dearly. He was very proud of his children. Although Chris retired a few years back, I continued to run into him at the Ranch when he was helping Marvin out. Chris is a huge part of our happy R-Ranch memories. My granddaughter, Rhiannon, (Rickie), shared a campfire with his boys one year, carrying on the tradition of making happy memories at the Ranch. May peace blanket you with comfort. I am sincerely sorry for your loss. Blessings to you All,
Mary Ingram Stanley Swenson and families
