

Clancy Shannon Grant

December 4, 1952 - August 1, 2021

68 year old Hornbrook resident, Clancy Grant, passed away on August 1, 2021 at his home overlooking Iron Gate Lake.

Clancy was born December 4, 1952 to Harold and Frances (Turcotte) Grant in Pasadena, California (formerly Altadena). In his 52 year career in the automotive industry, 43 of which were in auto parts management for GM dealers. He worked in multiple dealerships in Arizona, Southern California and in Siskiyou County. There wasn't a Chevy auto part he didn't know, nor was there an autoparts person that he had met that he didn't remain good friends with. While in Siskiyou County, Clancy worked for Ellis Brooks Motors, Jim Wilson Motors, and then Yreka Motors in the new facility. He loved his cars, as long as it was a Chevy!

Clancy was a sports fanatic - it didn't matter the season, there was always a sporting event to watch and enjoy. When not watching sports, playing golf or working, his main focus was his family. His greatest enjoyment came from being with and doing things with his family; he was a wonderful husband, great Dad, an amazing Grandpa, and an awesome brother. Clancy also held great pride in his pilot's license and the freedom that it brought.

Clancy was preceded in death by his parents, and by a brother, Woody. He is survived by his wife of 32 years, Nora; their 4 children Gary, John, Terri and

Shane; his siblings, Michael, Charlene (KC), and Patrick; and by 11 wonderful grandchildren and 8 great-grandchildren.

At Clancy's request, no services are to be held.

“ I will miss trading barbs with Clancy. I called him Mr. GM because of his love for General Motors products. He was great to work with and I enjoyed his stories on where he had worked and what he had done. He was a busy boy in the parts dept. always looking for things he could get done and take the pressure off someone else. He loved his family and enjoyed his time off at home with Nora. He enjoyed taking her to their time share in Nevada and always looked forward to that. May God grant you all peace and comfort in the days ahead without him. He will be missed here at Yreka Motors. Love in Christ, Jeff

“ What's there to say that hasn't already been said? You were a great neighbor and friend. Ready with your quick dry humor and smile. Always ready to offer a helping hand or needed advice especially on my truck. You're gone too soon! You will be so very missed! Rest in Peace, Dear Friend! You've earned it.
