“ I remember when I first met Cody when I first moved here through his uncle Norman Cory. We hit it off right from the start he was a smart kid he was only like 19 when I met him. One day in Dec we hiked over the mountain we we're on foothill n was walking to the karuk tribal housing. It was hard for me but he was saying to me I can do it. N we made it over the hill it was so fun.I have a lot of memories of us having fun. miss u cody
