

Craig Shane "Craigers" Richter

March 30, 1972 - May 28, 2023

It is with a heavy heart...

Craig Shane "Craigers" Richter passed away peacefully at home in Yreka on May 28, 2023 from a rare form of cancer. He was 51 years old, and passed away while surrounded by those who loved him.

Craig was born in Oakland, California on March 30, 1972 to Charlene Mueller. He lived in Fresno for a short time, and then moved to Shelling, California to live with his Great Uncle Bud and Great Aunt Edie, who raised him. He moved to Yreka in 1997.

Craig's passions were shooting pool and working as a roofer. He started doing both at a very young age - "knee high to a grasshopper" as he used to say! His Uncle Bud taught him everything he knew about roofing. He also used to sneak into "Bud's Place" Bar top shoot pool when he was a kid. He was a pro at both, and didn't have any problem showing and telling you all about it!

Craig did not have any biological children, but was step-dad to daughter Desiré, who he helped raise. He loved the heck out of her.

Craig was a happy-go-lucky kind of guy. He always had a smile on his face.

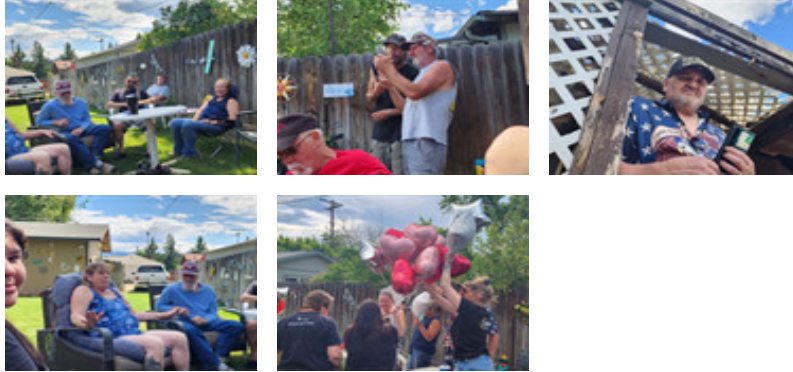

He will be missed by the many people who knew him.

Fly high, buddy! Love you, Craig, aka Killer Roofer!

“ I was pretty close with Craig for a few years. We use to shoot pool almost every night in his garage in Snelling. Sometimes till 1 or 2 in the morning. There wasn't much else to do in that little town. He was a good man and good friend to me. He'll be missed!

“ *Craigers, you were my best friend. I stepped up to take care of you, like you have helped me thru the years. Hopefully, you and Frogger are getting to know each other now. And I assume you are taking my Sassy girl on walks. Sometimes I feel your spirit is still here, messing with me, especially at work! God Bless you Craig! I Love You Man!*

“ *Craigers was my roof man. He worked on my roof and a friend's roof and did a wonderful job. I miss his smiling face and his "Hi Mom" every time I saw him. He was always sweet to me and gave me a kiss and a hug. I glad he didn't suffer long. God Bless you Craigers. I will see you in the next phase of life. Love, your other Mom.*
