“ We are so grateful for our Uncle Pat in our lives. I remember Uncle Pat as a kind and thoughtful man who always took time for us to talk to us and to listen about our achievements in life. Mike remembers his Uncle Pat when he helped him skin his 4-point buck with his dad Tom back in the day. May all of his surviving family continue to know what a joy Pat was in our lives. So grateful we could continue to communicate throughout the years. We know that life and family are eternal.

*Dear Mida,*

*I remember fondly the summer in Trinity Center when we met. We were all so young and for us, living in TC was a new experience. You both welcomed us and helped us to feel part of the TC community. We will never forget Pat's smile.*

*Our hearts ache for the sorrow and loss you and Yvonne are experiencing. Pat was truly one of the 'good old boys' and he will be missed by many. xo Jerry & Susan Hamilton*
