“ I'm so sorry to hear of Daran's passing. My heart and prayers are with your family.

I think my youngest memory of him was when I was about 3 years old and was walking from my parents' rented Schulmeyer home to the house he was helping Ron build for them. Don't ask me why I was walking alone that young... Regardless, I was walking down the driveway, halfway in from the Oak Valley road and he passed me in his "bug" on the way out, going somewhere. He rolled down his window to see what I was doing and offered me a linkett! He must've had it in his lunch pail or something, but for some reason that memory has always stuck with me. Uncle Daran offering me a linkett!

He was a good man and I'm sorry to hear of his passing. All my best to your family.

*Lovingly,
Katie*

“ Gosh darn, I know this feeling all too well. My Dad passing in July and now your Daddy's passing. They were just too young. Breaks my heart all over again. I didn't know Daran all that well but what I do know is that he brought three beautiful souls into this world. One of whom has been my friend for the last 18 years. I recall seeing Tonya's Facebook pictures of Daran holding his precious granddaughters. You could see the happiness just exude from his soul. He glowed. Tonya and family, I am so sorry you are experiencing this pain. Take time to grieve, be together and know it's okay to laugh one minute and cry the next. Tears are memories that roll down our cheeks. Love you guys.
