“ Oh my god. I thought I would look up my best friend in my teenage years and see what he is up to. I saw this and kept hoping this is a different Darren, but that is him. He looks pretty much the same as he did 30 years ago. I send my condolences to his family. I am so sad to hear a good friend passed away just like that. We used to hang out all the time and he was a very fun guy to be around. I still cannot believe he is gone. I feel such a sorrow, it feels like I lost a family member. I hope the best for his surviving family and friends.

“ Wow. Im so sorry to hear the loss. I known Darren since he was a little kid. We all grown up together since the 70's best friends with his older brother Norman who passed away back in 2003. He will be greatly missed even though its been a long time since I have seen him and his family. I hope and pray that the family seeks the comforts of God to help them heal as they struggle through these hard times. W. Dickson
