

David Lee Fay

July 27, 1968 - March 8, 2017

March 8, 2017, David Lee Fay, 48, of Yreka passed away in Redding, surrounded by his mother Kay, cousin George Lycett and his dear friend Elizabeth Jones, following a long illness. David was born July 27, 1968 in Yreka to Kay and Walter Fay. He attended elementary school in Siskiyou County and high school in Sacramento. He loved NASCAR and boating and enjoyed spending time on his computer. He also enjoyed spending time with many friends, helping those in need. David attended Four Square Church in Yreka, and was carried out in the water by Kevin Cameron, Ted Pollard and Drew Schrum when he was baptized by Pastor Jim Jacobsen.

David is survived by his loving mother, Kay, as well as numerous aunts, uncles and cousins. He is preceded in death by his father Walter, grandparents Walt and Marion Fay of New York, and grandparents Jeff and Velma Jefferson of Yreka, aunts Patricia McKown and Jean Callahan, and cousin Bobby Hass. Although he was in a wheelchair, it didn't stop him from living a complete and full active life. Many of his friends often said, "David is one of the most amazing people we have ever known." David was loved by many and will be missed by all.

In keeping with David's wishes, a celebration of life will be held at a later date. Run with the angels, son. I will love you always and forever.
