“ I left the area in the early to mid 90's, so I hadn't seen Dave since then but I do remember him being a good friend and he wasn't a bad softball player as he pitched for our local team, and always someone that would give any kind of help when needed, I sure wish I could've seen him one more time.

“ I've always thought of Dave "Mario" as a big teddy bear of a man. He will be greatly missed by so many. This photo is from a fishing trip at Lake Shastina with Dave and Tom Wilmarth. Lots of laughs and wild tales of "the old days". They just don't make 'em like that anymore. Rest In Peace dear man~

“ I am so saddened to hear that Dave has passed away. The Marvin Family was so generous and kind. I owe them, especially Dave for putting me up in their home for a summer back in the wild days of the mid 70's. Although Dave was in my brothers class at YHS, they graciously took me in, as well as a couple other young guys back in the day. Dave was great guy and we enjoyed some good hunting and fishing in the day. We will miss you Dave.

“ I am so sorry for your loss. Dave was a wonderful man with a great sense of humor. When he and his guys would come by to do the yard, he and I would go to the back yard where we would chat and laugh about things. It never failed - I would get a big, sweaty hug or two. He was always very kind to me. I always made him take off his sunglasses so I could see his beautiful eyes. He thought that was so funny. He was a friend and will be missed very much.

Larry and I always appreciated when Dave and his crew came to help us out with yard work. The fur babies, Sherpa and now Lucy, always sensed that Dave loved dogs and had time to give them a good rub. Dave was a big presence and is greatly missed. Rest in peace, Linda and Larry Livesay
