

David Lawrence Sellens II

March 20, 1963 - March 24, 2012

Saturday, March 24, 2012 a beloved son, brother, husband, father and most recent grandfather passed away. David Lawrence Sellens II was a veteran of the U.S. Naval forces, and had 20 years of service in food management. David was always an extremely loving man who lived a challenging life. He held his daughter Samantha's hand while Nikohlis Gabreil Sellens was birthed into this world. His way with parenting really taught us in a different way. "Do as I say, not as I do" was one of his mottos to his children. Being a grandpa brought him so much light, the way his grandson looked at him and smiled made it apparent how full of love David was. Sadly in life, we don't last forever and this wonderful man had a time to go as everyone does. We had just celebrated his 49th birthday, and after the occasion he said "that was the best birthday I ever had."

David will live on through his children and grandchildren; because of this such a grand love that he had will never fade. He taught us all how to truly love. May this handsome, incredibly talented man live forever in us all. He taught us all to love Christ and live through Jesus as well.

On Saturday, March 31, 2012 at 9:00 AM, David will be buried at Evergreen Cemetery in Yreka. A Celebration of Life will follow at 11:00 AM at the Lake Shastina Bible Church in Lake Shastina to honor David's wishes.
