“ I apologize if I'm incorrect, but is the David Weld that taught at Hyak Junior High in Bellevue, WA in the early 1970's?
Thank you!

“ Mr Weld was one of my very favorite teachers at Polson High School in the 1970's. He also let the drama club, which I participated in; that participation was the foundation of what became my lifelong career. He also was instrumental in my finding my way to Whitman College (also his alma mater). He will always have a very fond place in my heart and I send my condolences to his family. Best regards Isabel Liss (nee Endlichhofer -- PHS class of 1979)
