

Davida Bloch

December 13, 1927 - April 18, 2012

Davida “Dee” Bloch - Wife, Mother, Grandmother, Artist and Friend

Davida is survived by her husband of nearly 60 years, Harlan, her two daughters Lisa and Paula and their husbands, Tim and Kevin, respectively.

She was married on her birthday, December 13, shortly before Harlan went away to war in 1952. When Harlan returned, they began their life together - as a family of four - when Lisa was born in 1957 and Paula in 1960.

Davida spent many years of her life as a receptionist - the first-heard personality of the companies that employed her. From 1974 thru 1994, when she retired, she was the “voice” of the National Hot Rod Association, where every racer who called “loved to talk to Dee!”

Dee loved music and she loved to sing - no matter where or when. Her love of art was lifelong and her talent was obvious to anyone viewing her work. Her preference was oil; but she also created many beautiful watercolor and pen & ink drawings. She received many awards at the Siskiyou County Fair; proudly displayed some of her work at Liberty Arts Gallery and, for the Madrone Hospice Auctions, Dee was happy to donate her work to help raise funds.

Dee was most proud of her two daughters and loved the families to which she became connected through their marriages. Paula’s children, Jenna and Erik, were the major loves of her life after her immediate family. She bragged about their talents and scholastic achievements to all and she loved to learn about every aspect of their growth.

Dee remained inspired to the end -- even admiring the colors of the fresh fruit

brought to her for her final breakfast - commenting to her nurses that she
“would like to paint the fruit one day.”
