

## Dennis "Denny" Steven Walton

July 11, 1941 - December 8, 2016

Dennis Steven "Denny" Walton passed away on December 8, 2016 in Klamath Falls, Oregon after an ongoing battle with illness. Denny was born to Russell and Marie Walton on July 11, 1941 in Compton. He lived in a few places in his life but was pretty much a lifelong resident of Siskiyou County, specifically the Butte Valley area.

Denny lived a life of doing the things he loved. Some of those things included riding motorcycles, his Harley being the favorite. The chariot races outside of Macdoel were also a favorite pastime when they were in their hay day. He was the official timer and steward of the track. He had big shoes to fill as he had taken over the job from his father Russ...a true family tradition.

Later in life, Denny was a best friend and caregiver to his wife Kimberly; a wonderful relationship of friendship and love, caring for and bringing out the best in one another's lives.

Denny is survived by his wife, Kimberly Walton, of Dorris; his children, Denise and Paulson Swanson of Texas, Steven and Debbie Walton, also of Texas, Rob and Dawn Walton of Yreka, Jim and Bec Walton of Australia and Heather and Lyle Ellis of Klamath Falls. Denny is also survived by his brother, Robert Walton, of Idaho. He leaves 8 grandchildren and 5 great-grandchildren. He was preceded in death by his parents, Russell and Marie, of Macdoel and a brother, Michael, of San Francisco.

No services are planned at this time. A memorial service will take place in the spring.
