“ I'm so grateful to have had such a great woman marry my Uncle Donald. They have been a blessing to each other through thick and thin. I still remember her working at the bank and seeing her during the summer visits to Etna. I wished I could have made it to Oregon to give you a great big hug Uncle Donald...but I will make it up to you this Spring at her celebration of life! The world lost a wonderful, sweet, loving soul but heaven has gained a true angel!
Love, Catherine

“ We were privileged to have Don and Diane as our neighbors the last 2 1/2 years....
Always waving as they drove by, they were the best...
Diane had the most beautiful smile that lit up her eyes
Whenever we had to leave town they kept an eye on things for us.
We will miss that great smile and willingness to help. We send our condolences to all her family and friends...

“ The world has lost one of it's finest people. Diana was wonderfully courageous, kind and loving. She was a woman of enormous faith and is no doubt feeling the rewards of that faith in this very hour. A truly beautiful person who will be greatly missed by all who had the good fortune to know her. *Connie and Bob*

“ I worked with Diana many years ago at Scott Valley Bank in Etna. She was an upbeat optimistic and kind person. She also was a deer hunter, outdoors person and took her personal time to cook for fire crews. We need more like her in this world.

“ Grandma you're so so deeply missed, it hurts my heart that you're gone, but you were the most beautiful person always so caring and selfless, generous and loving, you were the perfect example of how people should be in this world. I'll love you forever and cherish your memory. The time we spent together was my favorite times. You were my biggest cheerleader, never judged, never once thought about turning your back on me, forever in my corner, you truly loved unconditionally. You were the best.
