

Diane Marie Sexton

February 6, 1948 - October 13, 2021

Longtime Klamath River resident, Diane Marie Sexton, passed away unexpectedly on Wednesday, October 13, 2021 at Fairchild Medical Center in Yreka. She was 73 years old.

Diane was born on February 6, 1948 in Sacramento, the first child of Glendon Parker Cleveland and Ruth Marie Nolan. On July 18, 1970, Diane married Robert John Sexton, and the couple remained together until Robert's passing in 2017.

Diane was a lifelong nature lover and loved being outdoors, whether she was just sitting outside observing the local wildlife, gardening or doing one of the several outdoor activities that she shared with her husband Robert over the years. She was always enamored with Mother Nature's gifts. When she couldn't be outside she would always be working daily on her latest counted cross-stitch kit, which she loved to frame or create something special using her completed kits to give to her family and friends for Christmas gifts. She loved both of her children and both of her grandchildren and seemed to always be there to help any one of them whenever they needed it. Diane remained employed in the medical field until her death, at which time she was a Nursing Assistant for the hospital in which she had passed away in.

Diane was preceded in death by her husband of 47 years, Robert; by her

mother, Ruth; as well as her younger brothers Patrick Nolan and Joseph Nolan and younger sister Debra. She is survived by her children, Kurt (Sonja) Sexton of Dayton, Nevada and Michelle (James) Risner of Carson City, Nevada; her brother, Terry Cleveland; sisters Sandy Heller, Cindy Bell, Roberta Nolan and by her father, Glendon (Sylvia) Cleveland; and by two grandchildren.

At Diane's request, no services are to be held.
