“ Don was a GOOD MAN , great father to his family...& step children.  
I knew Don as I was growing up through the years...  
Looked forward to spending time with him & his family...  
We all had misunderstandings that all needed  
Forgiveness...But all & all I LOVED HIM LIKE A FATHER....as my  
MOTHER WAS married to Don also...please forgive each of us for  
or sins  
GOD BLESS ..& watch over our dear father  
& his families

“ I'm going to really miss Don as I'm known him since I was very  
young and have been his neighbor for 44 years! He was always so  
pleasant and had some interesting stories to share. How wonderful  
to see a family that stood by him for so long in his time of need.
