“ *Dear Becky: My heart skipped a beat when I read of Donna's passing for I know that you will miss her terribly and your heart is broken. However, please know that Donna was loved by many and she was the least judgmental individual that I have ever known - the few times that I saw her when visiting Gazelle she always, always greeted me with a smile on her face and a "How are you doing, Beth?" She worked very hard most of her life and took care of her mom and dad and loved YOU, unconditionally. I've often thought of her playing baseball in elementary school - man o howdy, could she ever play ball - often slamming that ball that often became a home run. I remember thinking "How does she DO THAT??" My love and prayers go out to you. Beth Russell Moody*
