

Donna Mae Hetherington

October 2, 1943 - March 6, 2015

Devoted wife, amazing mother and grandmother, Donna Mae Hetherington, went home to be with the Lord and her mother, Helen White, on March 6, 2015 in Crescent City. She was 71 years old.

Donna was born in October 2, 1943 in Oregon. She was raised in Happy Camp, where she enjoyed fishing, gold panning, growing a garden and raising her four children. She married Steve Hetherington and moved to Yreka in the late 1980's. Together they started a trucking company, D&S Transportation, in Yreka. Donna worked many hours side by side with Steve at the trucking business. In 1999, they sold the business and moved to Crescent City.

Donna was a member of the Fuschia Club in Crescent City for many years. She took great pride in her yard where she had hundreds of beautiful flowers. She loved watching her little dog, Meggie, run through the yard and house as well. When Donna and Steve were not enjoying their beautiful yard, they enjoyed going to Reno, Nevada, where they played in slot machine tournaments.

Donna enjoyed making ceramics with her husband. She loved making ceramics so much that she decided, with all the overflowing pieces in the shop, that she would open a booth at the local farmers market where she could sell her frogs, turtles and much more for others to enjoy.

Donna is survived by her husband, Steve Hetherington; four children, Richard, Daryl, Randy and Melissa; grandchildren Danielle, Richie, Toni, Rachelle, Heather, Jamie, Dacota and Keaton; great grandchildren Joclynn, Logan, Isiabella, Caroline, Layla and Brantly; a brother, "Curly" Finster, and many other loved family members.

A private interment in Happy Camp will be held. In lieu of flowers, the family requests that everyone reaches out to a loved one and tell them how much you love them.
