

Dottie Frances Willberg

January 31, 1979 - June 18, 2016

Dottie Frances Willberg passed away unexpectedly of natural causes on June 18th at her residence in Yreka, California.

Dottie was born on January 31, 1979 to John and Linda Willberg in Vallejo, CA but was raised in Martinez, CA until recently moving to Yreka, CA. She was raised by her mother Linda, and her Grandmother Reita Hubbard to be the strong independent mother, sister, daughter, and friend that she was cherished and loved for. Dottie demonstrated undeniable loyalty to all of her friends and family. She had a talent to make each individual feel like they were special. In addition to her strengths, she had humor that was not easily matched. Whether it be her jokes about "HAM" or her chronic ear pulling while saying "EARS", you couldn't help but fall victim to her charm.

Dottie is survived by her father John, her mother Linda, Daughter Angelica Oxford, and son Chase Oxford of Martinez, and son Christopher Willberg of Yreka.
