“ *I'll never forget playing dominoes with Granpa, he was the one who taught me. Swimming in the pool while he grilled tuna (which was amazing). So many amazing memories. We love you Grandpa! Praying for Grandma 🙏🙏🙏*

“ *I am so blessed that he was my grandpa. I loved growing up in Big Springs and spending time with my aunts, uncles, and cousins swimming and riding horses on the dairy. He would take us on drives through his collections of treasures that he got for a great deal! We had fun poking around and talking about life, our faith and I will miss our chats and I know he is proud of his family and loved them deeply. Your laugh was awesome and I know I will see you again. Love your granddaughter, Janna*
