June 30, 1925 - July 26, 2019

Evelyn L. Eells was born June 30, 1925 in Portland, Oregon. She was the youngest of 6 and had many nieces and nephews. She met her husband, Roy Eells, during the war while he served in the Navy. They married October 12, 1946 in Santa Monica. They had 2 children; Donna and Dan. While living in Los Angeles, Evelyn spent many years volunteering for the LAPD. They moved to Yreka, California in 1977. For 26 years, Evelyn donated her time cooking at the Grange's Hot Meals. She truly believed in the Golden Rule, "Do unto others as you would have them do unto you." She loved to cook, play games, and play Bingo. Donna passed away in 2005, Roy in 2009, and Dan in 2010. Roy and Evelyn were happily married for 63 years. She is survived by her 2 granddaughters and 3 great granddaughters who were loved very much.

“ It was a pleasure meeting the Sanford family and Evelyn. I still laugh today remembering when I went to see Evelyn the day after she arrived at the Hospice House. Evelyn said what are you doing here, I said I'm here to see you she said I ain't doing nothing. Well we did end up doing something we took a walk or should I say she took a ride and I took a walk around the grounds. Evelyn was very thoughtful and kind, she would always let me know that there was food in the kitchen if I wanted anything and she would ask me if I was ok, if there was a show on tv I wanted to watch just always so thoughtful. Evelyn was surrounded by butterflies as we strolled the hospice grounds but the true and loving butterflies she was surrounded by was Anita, Bill, Sophie and Olivia. My prayers and condolences to Evelyn's entire family. Love Stacy
