“ Frank and I dated for about 2 weeks). I do remember it was the winter. My sister and I went to Mc Cloud to stay w our cousin and Aunt and Uncle. My cousin is Lary Wolfe. We had a lot of fun and I do remember meeting his sisters, the only name I remember is Peanut. So sad to hear of his passing. I kept in touch via The Record Searchlight in Redding. My husband and I moved to WA state over 40 years ago. Where has the time gone. Condolences to his family, he was a great guy of whom I wish I could have gotten to know better.
