“ I was one of the teachers at Willow Creek School when Frank came to work as our secretary when Dwight Jones was our principal. I remember him as always having the best interests at heart for both the students and the staff. I am traveling, or I would find and post the great picture that I have of the students standing around Frank in his office singing happy birthday to him. They loved him and he was joy to work with. He will be missed.

“ I was on the Willow Creek School Board when we hired Frank to be the school secretary. He was excellent and great with the kids. I have seen him occasionally after I left the Board over the years and I am greatly saddened to hear of his passing. My family and I send our condolences to his family.

“ So sorry for your loss. Remember Lee as being tall, dark and handsome and very quiet. Lost track after 8th grade but got to see him a couple times in the last couple years. Most memorable was when he and Lynda had lunch at our house and after eating he said, "Those were good vittles". Thought that was very appropriate as he reminded me of a miner with his hat. Enjoyed our visit. Saw him in Rogue Valley Hospital and then in Yreka to return his favorite coffee mug. Don't remember how I ended up with it. Was just getting to know him again. I feel he touched a lot of people and will be missed by many. Sending love and prayers. Wendell and Kathy Crawford

“ Thank you for always making me laugh! I remember when we first met, you were in a neck brace, and were so happy when it was no longer necessary. Through the years we learned and laughed. You have completed the final surrender and you will be missed!

“ Frank, you were such a good friend. I wonder how many gallons of coffee we drank over the years as we tried to change the world...our own world changed because of our wonderful friendship. Your thoughtfulness and kindness will always be remembered. On our rock hunting trips, you were the one who taught me what a leaverite was. Leave er right there, Joyce, you would say. Otherwise, I would think most of the rocks on the hill or wherever we were at the time were special and want to take them home. You will be missed. Our thoughts and prayers are with your family.

Joyce and Deacon Blackmun

When I told Deacon, my 7 year old grandson about Mr. Clyburn's passing, I asked him what he thought about when he thought of Mr. Clyburn. He thought a minute and said, "He was cool and funny and playful and kind, and I liked the way he sang when he played the little guitar that he gave me. I will miss him."

Thank you so much. I am in need of some prayers as it is hard to think that he is no longer here to give me a call or send me a funny email to cheer me up when I was down. But I also know that he was ready to be with God when it was his time, he told me that many times. His girls are up here in Alaska too, so we're all together. Thank you again, and God Bless You too.
