“ *I loved my visits with George when he'd stop by during his four wheeler rides. He has always been part of the landscape on Doe Run and I will miss his wave and friendship. My heartfelt sympathy to all of his dear family members.*

Sending my condolences to the family for your unbelievably difficult loss. I maybe only saw George a couple of times, since he was the "younger brother" of my friend Eileen, but he sounded like he turned into a wonderful man. I pray for peace
