

G. Alan Ferguson

October 23, 1947 - November 4, 2015

G. Alan “Ferg” Ferguson, 68, passed away peacefully in his home in Etna on November 4, 2015 following a brief illness. Alan was born on October 23, 1947 to Gordon and Jeanne (Allen) Ferguson in New Jersey, and was raised by his mother and grandparents in Canisteo, New York; he was an only child.

Alan leaves behind his wife, Raquel, mother of Rebeca Vasey; his former wife, Alvis, mother of Elisa Luiting and Michael Ferguson. From Elisa: 1 grandson; from Michael and his wife Veronica: 5 grandchildren; from Rebeca: 3 grandchildren. He had many loving friends and colleagues.

Alan was an amazing man, loving father/grandfather, wise teacher, and fantastic friend to humans and animals alike. Alan was a Master Mason, Vietnam Veteran, Registered nurse, and an awarded U.S. Border Patrol agent. After retirement, he continued to serve his community as neighborhood crime watch captain, First aid/CERT instructor and freelance journalist. There was not a day that went by when he didn't seek out new ways to better himself and others. He was a great listener and confidant. Alan loved to love, laugh, and learn new things. He has touched the hearts and minds of many and will be forever in our hearts.

In lieu of flowers the family requests to follow in his loving footsteps and care for all of God's creatures. Memorial donations may be made at <https://www.gof>

“ *Alan was such a blessing my daughters and I
during the time we lived in Scott Valley. Always
quick to offer help in anyway he could. He had
a heart of compassion and listened with a
loving ear. His love for his family was evident in
all he did. Keeping record of ancestral history
and making sure memories with his grandchildren were written
down, tucked away to be cherished later. He had a talent for
photography, and took so many beautiful photos of his beloved
valley and retirement home. I will never forget all his kindness, so
thankful to have met him. Love to the Ferguson Family!*
