

Gregory Allen Lovell

December 10, 1951 - August 21, 2018

Gregory Allen Lovell (Finckbone) passed away in his home in Yreka, CA on August 21, 2018 due to complications of throat cancer. He was 66 years old.

Greg was born December 10, 1951 in Longview, WA to Lloyd and Rosalene (nee Lovell) Finckbone. He was preceded in death by his parents, a sister Sandra, and a brother Charles. He is survived by siblings Roxanne (William) Mierow, Cynthia Beaudry (Fernando Mesa), Leanna Bray, Gabrielle (Paul) Fairbairn, Lloyd Finckbone Jr., Joseph Finckbone (Push) and Margaret (Doug) Williams.

Greg loved his dog (Boo) and one of his greatest joys was walking Boo in the park while listening to the radio. He grew up in Minnesota and was a Vikings fan. He loved watching the old westerns on television. Greg claimed that he had over 500 different jobs. He was a jack of all trades. He worked in the auto industry, the railroad, farming, and repairing televisions, just to name a few. He even spent time working on oil rigs. Greg had a wandering spirit and never stayed in one place too long before moving on to explore something new, and even though there were long periods of time between seeing or talking to Greg, he was and always will be in our hearts.

His final resting place will be alongside his brother Chuck in Polo, IL.
