

## Gregory Allen Skeahan

July 3, 1956 - May 2, 2019

Gregory Allen Skeahan passed away suddenly on May 2nd, 2019.

Greg was born on July 3rd, 1956 in Yreka to Andrew "Buck" & Betty "Joyce" Skeahan of Hornbrook. Known for his witty sense of humor and loyal personality, Greg was a friend to all he came in contact with.

Greg was a man of many hobbies; he enjoyed fishing, hunting, tinkering around in his garage, watching his son and grandkids ball games and Friday night dinners with his friends or family.

Greg was known for his dedication and strong work ethic. He enjoyed working for Fruit Growers Supply Co. where he was a loyal and dedicated employee and just celebrated his 23rd anniversary in April. After being burnt severely in 2014, most thought that would keep Greg down, but it did not. He went back to work as soon as he could and worked all the way up until the day he passed away.

Greg is survived by his father Andrew Skeahan, his brothers Jim Skeahan and family, Mike Turnbow and family, younger sister Tanya Skeahan-Omlor and family. Greg also left behind two children (although they were not by blood you would never know) Amber Bear and husband Polar Bear, Wade Berryhill and fiancé Amanda Burgess, and his pride and joy, three grandchildren, Adrienne,

Laydon and Kodiak. Greg is preceded in death by his mother Betty Joyce Skeahan. Greg will be greatly missed by everyone he knew.

No services are scheduled.

“ Although Greg and I graduated from YHS together, I did not know him well until he was burned. When a friend Jeremy Ravenscroft said that Fruit Growers was making sure that a car load of employees went up to see him every week in Portland I thought, what a great support and what a great company. So I offered to help by flying them up in my plane each week. I was so impressed with Greg’s courage and determination as well as the love and support he had from all his friends and family.

*I was there the day he got released to rehab. A nurse asked him if he was able to walk. We all thought he would get out of the wheel chair and take a few steps. After several laps up and down the hall, I cheered him on with our class motto, “we’ve got more ‘cause we’re 74”, to which he responded, “burned to buff in 3 weeks!”.*

*Greg made it clear to every doctor and nurse he talked to in no uncertain terms that he was going back to work. And he did.*

*What an inspiration Greg was to me. It was a privilege to know him. My condolences to his friends and family. I know he will be remembered and missed.*

“ *Greg was such an awesome person I will always remember him over at the coastline kites with the kids. That was before his accident. Even though the accident didn't change him at all. He will be missed*
