“ So sorry to hear of the loss of your mother, wife, grand-mother. I only remember her as a happy, loving, and kind person. She was always welcoming whenever I was around with Kathy, which was many years ago. I know you will cherish all the memories and love you shared with her, and she will always be with you. Love never leaves you, it will live on in your heart always. My prayers are with you and all your family and friends, may you feel peace and love as you go through this time.

*Much love and God bless,

Gwen was not only a dear friend to my mother, but loved by everyone in our family. I recently learned that she was with my mother when my sister Ginny passed in Medford. I am forever grateful to her for being there. She was that kind of friend. Gwen was always graceful and kind. She is still with us, just in a different way. RIP dear Gwen. Forever peaceful.
