“ I have so many memories of Aunt Helen. She was my 1st pen pal when I was 6 yrs old and she sent me puppy stationary. We would visit her many Thanksgivings and have big family reunions where she would teach me how to create many of the christmas ornaments I have today. I had my oldest daughter when she adopted Michael so we spent alot of time with the babies together, she answered so many new mom questions for me.
I have many, many, more. She will always hold a special place in my heart. I know my mom misses her so much.
