

Hollis Lorraine Chambers

September 11, 2011

On September 11, 2011, Hollis Lorraine Chambers, a lifetime Yreka resident, passed away with her loving husband David by her side.

Hollis had a passion for art, decorating, history and learning new things. Always thinking of others, Hollis put everyone else before herself. Hollis was happiest when surrounded by her loving husband and close friends and family. The pride of her life was her six Godchildren, Travis, Ashley and Alyssa Tudor, Shanna and Krista Wilson, and Justin Tudor. Hollis recently retired from her family business, Nor-Cal Products, where she worked for over 25 years. Hollis is survived by the love of her life, David Chambers, and her father and step-mother, Ted and Pat Hill, and numerous friends. She was predeceased by her mother, Lorraine Hill and her brother Craig Hill.

Those who were close to Hollis, will remember her forever as the most kind, gentle, and loving wife, friend, daughter and sister. She will be forever loved and deeply missed.
