“ I've always loved you dearly and there was no better father for me than you. I miss you more than words can say and not a day goes by that I don't think of you and long to see you and talk you through your struggles and to hear that goofy hysterical genuine laugh of yours ...I love you so much ...and something else daddy, I was there, Rog made sure of it just like he told you he would....he truly loves you dad-promise. Ill see you soon daddy.
