

## Jacquelyn Campbell Hughes

December 2, 1951 - October 22, 2017

Jacquelyn Campbell “Jackie” Hughes passed away unexpectedly on October 22, 2017 as the result of a motor vehicle accident on Etna Summit. She was 65 years old, and a 36 year resident of Siskiyou County.

Jackie was born on December 2, 1951 in San Diego to Thomas and Edna Hughes. Jackie worked for over twenty years as an electronics assembler in Southern California before moving to Fort Jones in 1981.

Jackie enjoyed playing sports in her younger years, particularly Softball and Over-the-Line. She enjoyed beading, sewing, and all sorts of crafts. One of her favorites was quilt-making. Jackie also loved camping. Her most frequented locations were in the Etna Summit region, and down the Salmon River. The outdoors was her playground and her favorite place to be.

Jackie is survived by her two children, Jason and Frank Dailey, both of Scott Valley; her siblings: Howard, Helen, SueAnn, and Joan; five grandchildren, seven great-grandchildren, and her best friend, Sue.

At this time, no services are to be held for Jackie.

“ *To the world's most loving mother and she was only my inlaw. I was one with her like I would never believed possible for a daughter in law. I greatly will miss her and know she will now finally be in peace away from all the earthly troubles. I pray for you mom and lift you up to the Lord. I pray he have mercy on our souls and give us the forgiveness.*

“ *I use to love hanging out at Jackies house. She was like a 2nd mom to alot of us. We could talk to her about anything and listen to music. She was fun, loving and very caring, just nice to be around. I know she will be greatly missed.*
