“ Jim was one of my favorite people on this earth. Growing up, I got to spend some of my happiest moments with Jim and Dianna. We vacationed together for years.....and it was something I always looked forward to. During all these trips, I got to learn a lot from Jim...

Jim helped to show me how to treat others the way you would want to be treated. I loved going to a store with him because he talked to everyone like they were his lifelong friend.

When I was a kid, Jim made me feel important. When Jim talked to me, he truly cared what I had to say. Jim was always patient, even when I buried his hammer in the sand and forgot where I buried it.

Jim showed me that you could dance without moving your feet and still command the dance floor. Jim gave me a love of cantaloupe, sautéed mushrooms, and cranberry bagels.

Most of all, Jim always had a positive and optimistic attitude and had a great outlook on life. I will always remember him smiling and laughing.

Jim was the epitome of a gentleman. He was warm and charming and true class act. I feel truly blessed to have had Jim in my life and I will always treasure the time I got to spend with him. The world has lost an incredible man.....Love you forever Jim.

“ Dear Dianna & family,

We are so sorry for your loss. I'm so happy Jim and I got to talk a short while ago, and got to reminisce about the good old days, hunting, eating and drinking at the Respini Ranch. Steve and I were in Adin on July 1st., 2nd & 3rd. We planned to call Jim and finally stop by for a visit. I was fighting a cold and we decided it wouldn't be very good idea. Little did we know that Jim passed on the 2nd.

I have many great memories of Jim hunting and watching the 49ers with Mac at your home in Novato.

I'm very sorry we were unable to attend Jim's memorial service on Saturday, as my cold has turned into bronchitis.

With deepest sympathy for your loss. Our thoughts and prayers are with you and your families .
