

James William Streamer

July 31, 1925 - December 19, 2011

James W. Streamer, age 86, went home December 19, 2011 to be with his wife Betty who had passed away September 4th of this year. He just didn't want to be here without her.

Jim was born in Athens, Wisconsin on July 31, 1925, moving to Gerber, California as a baby. Jim joined the Army after high school and served in WWII in Germany. He was always so proud to be an American and a Veteran. It was in Gerber that he met and married Betty Anderson and raised his two daughters: Suzanne and Mary. He and Betty both loved to hunt deer and pheasants. They did a lot of camping as a family. Jim made sure that his girls knew how to shoot, because he took them right along with him and got them involved in the Gerber Jr. Rifle Club. Then there were the horses and horse shows. Whatever one family member got involved in, everyone got involved in.

Jim moved his family to Yreka in 1963 where he worked for Klamath Moulding Mill until his retirement 26 years ago. He and Betty loved to golf in their retirement years. They spent their winters in Hemet, California where it was warmer and they could enjoy golfing.

He was a wonderful husband, dad, grandpa and great-grandpa. The family cherishes the sweet memories that they all have of him, as do all of the people who knew him. The family feels truly blessed to have been a part of his family.

Jim leaves behind two daughters and their husbands, Suzanne and Bob

McGraw, and Mary and Rick Frederick, all of Yreka and four grandchildren and spouses, Stacey and Jason Murieen, Doug and Alesha Foster, Trapper and Lori Fisher, all of Yreka, and Jessica and Jason Stone of Medford, Oregon. He also leaves behind 10 well- loved great-grandchildren.

In lieu of flowers, donations may be made to a Veterans organization or to Madrone Hospice, 255 Collier Circle, Yreka, CA. Graveside services will be held at Tehama County Cemetery at 12:00 noon on Friday December 23, 2011. A visitation will be held at Girdner Funeral Chapel in Yreka on Wednesday, December 21, 2011 from 6:00 to 7:00 p.m. Girdner Funeral Chapel is in charge of arrangements.
